

Student Support

PSHE

PSHE is delivered by a series of visiting speakers to discuss important social education topics. These are interactive sessions brought to our students by experts in their field and include topics such as driving, relationships, personal health and money management.

Personal tutor

Students would have personal tutoring to enable their academic progress to be monitored and supported. Students would also be able to be supported through any personal issues they might encounter during the time of their course.

Careers Education, Information & Guidance

Our guidance, including application for employment, apprenticeships and University would also be part of the personal development programme.

Enrichment

Students at C6 will have a wealth of opportunity to participate in a wide range of sporting activities. The following are only a selection of those which already exist. Further ones are likely to develop when the links between the centres open further opportunities for students.

National Citizenship Service - Students can gain valuable life skills, experience and help within their local community by engaging with the NCS, details can be found [here](#)

Travel opportunities - Paris trip, SCUBA Diving in Turkey, Morocco Expedition, Outdoor activities in lake District, Field trip to Wales, Berlin Trip, Theatre Visits, Go Ape and Xscape

Activities - Archery, Football, Badminton, Tennis, Skiing, Snowboarding, Dance, Music, Drama, Film club and Gig club

Student Leadership – Heads of School, Heads of House, Sixth Form Council, and Mentoring,

Sport

Sporting opportunities would be available between the different providers as part of a planned programme of extended opportunities.

Academic Study Support

Sessions designed to support students to achieve to the best of their ability will again form part of the programme

Programmes of Study

	Level 3		Level 2		
GCSE Grades	Mostly A*-B	Mostly B-C	Mostly C-D	Mostly A*C	Mostly C-G
Substantial Qualification	3-4 A Levels	3 Applied, Technical or A Levels	1 Technical Certificate	Apprenticeship	Pre Apprenticeship
English & Maths	GCSE Maths & English - Grade C or Higher Students are able to access programmes to support higher end writing styles, and use of quantitative methods and other numeracy skills to support their learning.		GCSE Maths & English at Grade D or lower Students will be required to continue the study of GCSE Maths and English until they have achieved a grade C.		
Internships	All students regardless to their Study Programme are given the opportunity to take part in the Internship Programme. Students undertake work experience placements to obtain key employability skills, gain experience in different industry sectors ready for their Post 17 or 18 progression plans. This can include University, College, Apprenticeships or Employment.				
Tutorials	All students meet weekly with their tutor for academic progress meetings, these are designed to challenge the student to ensure they are on track to be successful in their Sixth Form Programme of Study. The social development of students is also important and these tutorials are supported by a very comprehensive Personal, Social, Health Education programme that is focused around a series of external visitors coming to work with the students on important topics such as managing money, relationships, health and wellbeing and British Values.				
Enrichment	Students will get the opportunities to work with Universities to enhance their studies. This will be through mentor schemes, conferences and study programmes.		Students will get the opportunities to work with Employers and Apprenticeship providers to enhance their learning. This will be through mentor schemes, industry visits with our partner employers and online support programmes.		
Extra-Curricular Activities	All students get the opportunity to get involved in their enrichment activities. This includes volunteering, Duke of Edinburgh, Sports, Music, Drama and the National Citizenship Service.				
Careers	All students are supported by Careers Education and have access to one to one Information & Guidance session to help them in making their next step progression plans for University, College, Apprenticeships or Employment.				
Examples of Progression Plan	University	University College	College Apprenticeship	Higher Apprenticeship	Apprenticeship
